JOB DESCRIPTION:

Full time opening is available for an experienced CAD/CAM Department Manager fully versed in 3Shape Design Software who is familiar with all stages of CAD/CAM workflow (Set-up/design/troubleshooting/finishing). Join our stable and growing dental laboratory in Fargo, ND that has built a reputation for supplying its customers with exceptional quality and service. Precision Dental Laboratories is a full-service dental laboratory with an emphasis on dental implant restorations.

We are seeking an experienced CAD/CAM Technician with exceptional skills, who knows how to effectively work independently and in a team environment. If you want to be a part of something truly special and are looking for a long-term career, this position might be for you. Our lab places a high emphasis on teaching and improving our technicians' skill sets. Although we believe in ongoing training for our employees, this is NOT an entry-level or trainee position. This position requires a minimum of 7 years of experience in Dental CAD/CAM.

QUALIFICATIONS REQUIRED:

- Degree or certification in related field
- Strong CAD/CAM experience required
- Excellent IT/PC skills, and have the ability to communicate advanced topics to users with very different backgrounds
- Good interpersonal communication skills with the ability to work independently and in a small team environment
- Must be detail-oriented and have excellent problem solving and analytical abilities with a certain degree of creativity and latitude
- Basic troubleshooting skills. Ability to identify common hardware, software and

design errors relevant to equipment

- Ability to sit or stand for up to 8 hours per day, view computer monitor, and move about effectively to fulfill the essential functions of the job
- Familiar with software and skilled in design

HOW YOU WILL BE EVALUATED:

Your resume and any supporting documents will be used to verify that you meet the basic eligibility and qualification requirements. Only the most recently submitted resume will be considered.

BENEFITS:

- Competitive Compensation based on skill level
- Relocation Assistance
- Health Insurance
- Life Insurance
- Dental Insurance available
- Paid Vacation and Holidays
- 401(k) with Match
- Paid Advanced Training in your Discipline
- The opportunity to build a long-term career in one of the Midwest's most progressive cities

HOW TO APPLY:

To apply for this position, you must submit a resume and documents which prove your eligibility to apply. In addition, you will be interviewed, either in person or electronically (Facetime, Skype, etc).
