We are seeking an experienced Crown & Bridge technician with exceptional skills, who knows how to effectively work independently and in a team environment. If you want to be a part of something truly special and are looking for a long-term career, this position might be for you. Our lab places a high emphasis on teaching and improving our technicians' skill sets. Although we believe in ongoing training for our employees, this is NOT an entry-level or trainee position. This position is for high-end restorations and requires a minimum of 5 years' experience in Crown & Bridge.

## QUALIFICATIONS REQUIRED:

- Start-to-finish proficiency in all aspects of Crown & Bridge to include porcelain building, contouring, waxing, pressing, etc.
- Experienced in CAD/CAM
- Able to do all aspects of ceramic work with the various systems used in the ceramic department
- Capable of overseeing scheduling and quality in the Crown & Bridge department
- A good eye for aesthetics

- Strong (start to finish) case management experience is a must
- Treatment planning of large or highly complex aesthetic cases
- Superior implant knowledge
- Capable of discussing cases with doctors on the phone

## REQUIRED KNOWLEDGE AND SKILLS

- High School Diploma
- Minimum of 2 years dental lab supervisory experience
- Experience training junior technicians
- Excellent organizational skills and the ability to multi-task effectively
- Excellent communication skills including verbal and written
- Time management and organizational skills
- Capable of creative thinking and problem solving
- Work well independently and with others

## HOW YOU WILL BE EVALUATED:

Your resume and any supporting documents will be used to verify that you meet the basic eligibility and qualification requirements. Only the most recently submitted resume will be considered.

## BENEFITS:

- Competitive compensation based on skill level
- Relocation Assistance
- Health Insurance
- Life Insurance
- Dental Insurance available
- Paid Vacation and Holidays
- 401(k) with Match
- Paid Advanced Training in your Discipline
- The opportunity to manage our Crown & Bridge department while still exercising your skills as a technician
- The opportunity to build a long-term career in one of the Midwest's most progressive cities

## HOW TO APPLY:

To apply for this position, you must submit a resume and documents which prove your eligibility to apply. In addition, you will be interviewed, either in person or electronically (Facetime, Skype, etc).
