JOB DESCRIPTION:

Applies Porcelain to Full Contour Zirconia restorations, Green states zirconia work, loads sintering ovens and curing ovens, pre-sintered staining, and applies external stain and glaze. Conducts fit/ finish tests and other quality inspections to ensure product specifications and tolerance levels are met.

Full time opening is available for a highly experienced Cosmetic Ceramist to join a stable and growing dental laboratory in Fargo, ND that has built a reputation for supplying its customers with exceptional quality and service. Precision Dental Laboratories specializes in fixed dental prosthetics with an emphasis on dental implant restorations.

If you want to be a part of something truly special and are looking for a long-term career, this position might be for you. Our lab places a high emphasis on teaching and improving our technicians' skill sets. Although we believe in ongoing training for our employees, this is NOT an entry-level or trainee position. This position requires a minimum of 5 years' experience in removable prosthetics.

QUALIFICATIONS REQUIRED:

- Start-to-finish proficiency in all aspects of Ceramics to include build-up, grind-in, contour, anatomy, contacts and metal/porcelain margins
- Able to do all aspects of ceramic work with the various systems used in the ceramic department
- A good understanding of anatomy and ideal tooth morphology for full mouth restorations (high precision)
- A good eye for aesthetics
- Thorough understanding of morphology and functional design in both anterior and posterior restoration essential for full arch/mouth cases
- Strong (start to finish) case management experience is a must

- Excellent eyesight and visual acuity
- Ability to inspect and work using a microscope
- Excellent hand-eye coordination
- Ability to work with small high quality parts and recognize detail
- Treatment planning of large or highly complex aesthetic cases
- Superior implant knowledge

REQUIRED KNOWLEDGE AND SKILLS

- High School Diploma
- Minimum of 5 years of hands-on experience in dental laboratory operations
- Excellent organizational skills and the ability to multi-task effectively
- Excellent communication skills including verbal and written
- Time management and organizational skills
- Capable of creative thinking and problem solving
- Able to accept teaching and guidance
- Work well independently and with others

HOW YOU WILL BE EVALUATED:

Your resume and any supporting documents will be used to verify that you meet the basic eligibility and qualification requirements. Only the most recently submitted resume will be considered.

BENEFITS:

- Competitive compensation based on skill level (\$36,000-\$62,000 Depending on experience)
- Health Insurance
- Life Insurance
- Dental Insurance available

- Paid Vacation and Holidays
- 401(k) with Match
- Paid Advanced Training in your Discipline

HOW TO APPLY:

To apply for this position, you must submit a resume and documents which prove your eligibility to apply. In addition, you will be interviewed, either in person or electronically (Facetime, Skype, etc).
