Who May Apply: U.S. Citizens

JOB DESCRIPTION:

Full time opening is available for a highly experienced Denture/Removable Prosthetics Technician to join a stable and growing dental laboratory in Fargo, ND that has built a reputation for supplying its customers with exceptional quality and service. Precision Dental Laboratories specializes in fixed dental prosthetics with an emphasis on dental implant restorations.

We are seeking an experienced Removable Prosthetics Technician with exceptional skills, who knows how to effectively work independently and in a team environment. If you want to be a part of something truly special and are looking for a long-term career, this position might be for you. Our lab places a high emphasis on teaching and improving our technicians' skill sets. Although we believe in ongoing training for our employees, this is NOT an entry-level or trainee position. This position is for high-end Removables and requires a minimum of 10 years' experience in removable prosthetics.

QUALIFICATIONS REQUIRED:

- Excels in denture fabrication, repairs, removable appliances and complex combination of cases in any system offered by the Company from start to finish.
- Uses appropriate dental materials to fabricate dental prosthesis adjusting and manipulating materials under different circumstances to achieve precise results.
- Skilled in using equipment, machinery, tools and techniques in all systems offered by the Company.
- Determines and selects with accuracy correct materials and specifications per doctors' prescriptions.
- Ensure the timelines of case completion, maintain departmental case flow process and strictly adhere to doctor due dates.

- Consults with clinicians in case planning and procedures to achieve the patients' expectations if needed.
- Manages case design, material choices and all other technical questions.
- 10 years' experience in Removable Prosthetics. Knowledge of materials, protocols, and procedures is an absolute must.

HOW YOU WILL BE EVALUATED:

Your resume and any supporting documents will be used to verify that you meet the basic eligibility and qualification requirements. Only the most recently submitted resume will be considered.

BENEFITS:

- Competitive compensation based on skill level
- Health Insurance
- Life Insurance
- Dental Insurance available
- Paid Vacation and Holidays
- 401(k) with Match
- Paid Advanced Training in your Discipline

HOW TO APPLY:

To apply for this position, you must submit a resume and documents which prove your eligibility to apply. In addition, you will be interviewed, either in person or electronically (Facetime, Skype, etc).
